# NADAR TIMER

## *The Nadartimer Service...*

Designed to provide end-end swim meet timer management for Club and High School Swim Teams participating in away (hosted) swim meets. We believe that coaches at swim meets should be focused on their swimmers' performance and not on filling timing chairs. With Nadartimer, coaches enter the swim meet and session details, designate a head timer (timing coordinator), and send the potential timers a registration link, all in about five minutes. Following the swim meet's publication, your timers may register for a timing chair using our 1-click registration process. At the swim meet, your head timer manages the timers, check-in, excusals, and no shows all on their smartphone or mobile device. Following the swim meet coaches can obtain a meet attendance report for each session and review any head timer notes all from within the service.

## *Because we want you to try Nadartimer...*

Newly registered Swim Teams receive 2 free swim meet credits, a $40 value, to try our service.

## *Designed for Mobile Use...*

With Nadartimer, there are no more spreadsheets, wet paper, or illegible handwriting deal with.

Our purpose-built web-based solution is designed for mobile devices and on-the-go use at swim meets. Because we are browser based, no additional application installation is required.

**Supported Web Browsers:** Apple Safari, Microsoft Edge, Google Chrome, Opera, Firefox, and DuckDuckGo

## Pricing Model

Nadartimer utilizes a swim meet credit pricing model. Coaches purchase one or more swim meet credits which are added to the swim team's account. Any coach registered on that swim team in Nadartimer may use the team's swim meet credits. When a swim meet is published (made available for use by the timers and head timers) a credit is deducted from the swim team's account. The creation and editing of a swim meet and its sessions is _always_ free and timers and head timers _never_ pay to use Nadartimer service.

| Swim Meet Credit Pricing | Cost ($) | Per Meet Credit Cost ($) |
|---|---|---|
| Single Swim Meet Credit | 20.00 | 20.00 |
| Swim Meet Credit (5 Meet Bundle)<br>Discounted 5% from the regular per meet credit price. | 95.00 | 19.00 |
